

Can you return phone calls? Drive a dog to the vet?  
Staff an education booth? Create dynamic flyers?  
Take photographs? Foster a dog?

## We Need YOU!

Volunteers are needed to help find permanent homes for the many Rottweilers of all ages in our program. NERR&R's Rottweilers are temperament tested, spayed or neutered, vaccinated and heartworm negative and spend several weeks with a foster family prior to adoption.

**No Experience Necessary! All you need is a willingness to learn and help Rottweilers.**

Ask a volunteer for more information,  
or contact us at:

**North East Rottweiler Rescue  
& Referral, Inc.**
