## Adoption Policy

North East Rottweiler Rescue & Referral has many Rottweilers of all ages available for adoption.

All NERR&R Rottweilers are temperament tested and live in foster homes until they are placed in permanent, adoptive homes. They receive routine veterinary care, including vaccinations, spay/neuter, monthly heartworm preventative and flea and tick control, and a tattoo or microchip. Occasionally, dogs are provided veterinary care beyond the basics when it is required.

NERR&R Rottweilers are placed as family members, and cannot be used for guarding or fighting purposes. NERR&R requires all family members—including canine—be present to meet the dog you are considering for your family. This helps to ensure the best possible match for your both the dog and your household.

### **Minimum requirements for adopting from NERR&R are:**

- You must be 21 years of age or older.
- Participation in formal obedience training and socialization.
- Demonstrated responsible dog ownership, and primary care giver of a dog (including spay/neuter of current family pets).
- If you rent, we require a letter from your landlord giving you permission to keep a Rottweiler on the premises.
- Residence in New England, downstate New York, northern New Jersey.

The donation at adoption is \$100 to \$300. Your donation helps to offset the costs associated with providing medical treatment and regular maintenance for our Rottweilers. After adoption we are always available to assist and advise our adoptive families in any way we can. If for any reason an adoption doesn't work out, the dog must be returned to North East Rottweiler Rescue & Referral, Inc.

## Philosophies

North East Rottweiler Rescue and Referral Inc. extends its services to animal shelters, veterinary hospitals and the general public in an effort to raise public awareness of responsible Rottweiler ownership. NERR&R rescues unwanted and abandoned Rottweiler dogs and places them into appropriate, permanent homes. NERR&R promotes responsible ownership by providing free educational services. These services include pre-purchase counseling, behavior consultations and evaluations, as well as breeder, trainer and insurance referrals.

NERR&R values all Rottweilers but is committed, above all, to preserving the reputation of the Rottweiler breed. NERR&R will not knowingly place any Rottweiler that may be a danger to the public or which may perpetuate the media stereotype of Rottweilers. Rottweilers placed by NERR&R have been fully temperament tested and have lived in family situations for a minimum of two weeks. NERR&R Rottweilers have been spayed or neutered, heartworm tested and vaccinated before placement. Many have been treated for other serious afflictions and full disclosure and health records will be provided to the adopter before they enter into a contract.

NERR&R is committed to the dogs it rescues for the natural life of the dog. We continue to follow up on adoptions annually and offer support or return services for adoptions that may not work out whatever the reason. NERR&R invites other organization and breeders to step up their level of commitment to their breed and offer similar services. We welcome the opportunity to help other grass-roots rescues establish themselves and uphold the same level of commitment that NERR&R does.

It is our goal to provide quality homes for our Rottweilers, but . . .

## ***WE NEED YOUR HELP!***

Rescuing Rottweilers is a very expensive venture. Just feeding the dogs is a big expense and then there are veterinary costs, transportation costs, supplies and foster care expenses.

Our greatest need is additional FOSTER HOMES.
